Slide 11

Objective: Provide concrete, actionable next steps for business leaders to begin their Agentic AI journey and drive them toward the larger report.

Layout Composition:
The slide is a flex-col with a header sized to content and a main area that grows to fill remaining space. The main area is a grid with two rows in a auto 1fr proportion. The top row is a flex-row with three immediate action cards (1fr 1fr 1fr). The bottom row is a grid with two columns in a 2fr 1fr ratio, where the left contains detailed action steps and the right contains a call-to-action for the comprehensive report.
